MESSAGE FROM CHAIRMAN

Assalamualaikum wr wb,

Allah s.w.t says: "So, surely with hardship comes ease." (The Holy Quran 94:5)

Hardship and challenges are part of the human condition - no one escapes the tests which life brings. The Covid-19 pandemic has affected communities in every corner of the globe. Normal life as we knew it has been changed by the Covid-19 virus. We are now being asked to understand and embrace a new normal where the Covid virus will live amongst us, always ready to bring harm to our livelihood and our lives.

Here at Muhammadiyah Welfare Home (MWH), we too have had to change and adapt. Our staff and our boys have had to follow far more stringent restrictions and guidelines. It has been more than a year since we last met our volunteers, donors and supporters. There is no doubt we have missed the personal interaction and engagement with the community which we truly value.

Yet, the Covid-19 pandemic has not defeated us or made us helpless. Our boys were determined to use this time to work harder in their studies. Our staff adjusted their work routines and made sacrifices to ensure that they keep the boys and each other safe. And our wonderful community of volunteers and donors continued to support the Home and contribute to its upkeep.

I would also like to record our appreciation of the Ministry of Social and Family Development (MSF) for its guidance in ensuring that the Home continues to operate smoothly and effectively during these difficult times. The shift to our new home in Pasir Ris would not have been possible without this strong partnership with MSF.

I cannot wait to welcome you to our new home in the beautiful and tranquil corner of Pasir Ris and to invite you to join us in this journey to a new beginning.

"Surely, with hardship comes ease."

Ustaz Muhammad Azri bin Azman
Chairman
Muhammadiyah Welfare Home

MESSAGE FROM HEAD OF HOME

I recently met an ex-resident of MWH. His name is Ikhsan and the last time I saw him was when he was just 14 years old. He is now 36 and has an 11-year-old daughter. He spent 30 months in MWH between 1998 to 2000. He is now a professional singer who has made a career in Kuala Lumpur, Malaysia and is now back in Singapore because of COVID, doing virtual events. Ikhsan shared his career journey with me. At the impressionable age of 14 years, he was exposed to cultural performances and traditional music such as Dikir Barat while he was in MWH. In 2010, he was talent-scouted and was signed by a big label in Malaysia, Luncai Emas Sdn Bhd, owned by eminent music composer and singer Dato' M Nasir. Ikhsan now owns an entertainment company, Berke Records.

I am reminded that hard times teach us valuable lessons. We must be strong and wise enough to lift ourselves and learn those lessons. Ikhsan deserves credit for rising to the challenges during his time spent in MWH.

2020 has been a difficult one for just about everyone. Muhammadiyah Welfare Home faced similar challenges having to enforce national directives and those from Ministry of Social and Family Development. The Home also had one additional challenge to muster – the shift from Bedok to Pasir Ris. Originally planned for June 2020, we were forced to stop work because of the pandemic. Thankfully, our lease at our current premises in Bedok was extended. Alhamdulillah.

The boys in the Home also had to adjust to this new normal, for instance:

- Dividing the care of residents into two zones:
 - Smaller group outings – more programmes were organised by the Home, such as visits to museum and nature places like reservoir.
 - More online programmes, where we needed to be more creative to let residents stay in touch with family and friends.
- Acquiring more laptops for the boys for their HBL.
- Creating more virtual events to get residents to better embrace technology.

The staff of the Home, too, had their own adjustments to make. They too needed to step up to be more digitally savvy, which was a steep curve for some. They also had to understand social distancing rules and adhere strictly to directives, especially in ensuring no mixing between the two zones for the boys. Staff were required to enforce pandemic protocol, ensure good mental health whilst staying positive and motivated.

The Home also ensured that donors and supporters have convenient access to the Home so as to continue this avenue of assistance the Home needs. We have had to build more online activities and channels such as giving.sg to ensure that life goes on as normally and seamlessly as possible. On this note, I would like to personally express my heartfelt gratitude for the continual support despite these challenging conditions.

As we await to see the light at the end of this tunnel, let's us all stay positive till this storm has passed. For us at MWH, we look forward to the move to Pasir Ris and starting yet another new chapter in the history of the Home, inspiring hope and transforming more lives, just as Ikhsan was inspired to transform his here with us 22 years ago. On this, I turn to all of you connected with MWH to journey with us in this new beginning.

THE NEW NORMAL

When the Covid-19 pandemic hit our shores, everyone including residents and staff of Muhammadiyah Welfare Home was not spared.

Going into the Circuit Breaker, residents were separated into zonal clusters and were not allowed to intermingle between one another. There was minimal interactions amongst staff. Visitors were no longer allowed into the Home. Outdoor and physical activities were discontinued and we focused on programmes conducted within our premises. Events for families and residents such as breaking of fast and Hari Raya gatherings were also suspended.

Our residents and staff had to embrace new technologies. Sessions between parents and case workers were conducted virtually, meetings were no longer physical and our residents had to adapt to Home Based Learning.

Our annual iftar with Dadah Itu Haram was done virtually with our friends from the Central Narcotics Bureau and the residents experienced a virtual Hari Raya celebration with Istana and President Halimah Yacob.

As the number of cases went down and certain measures relaxed, activities such as sports resumed whilst still adhering to safe management measures.

The pandemic might never go away and in order to carry on with our lives and daily go-about is by adjusting to this new normal.

OUR FUTURE HOME

The move slated to take place in June 2020 was rescheduled to December 2020 due to all measures and restrictions posed by the Covid-19 pandemic.

Fortunately, with the easing of measures, renovation work resumed at 101 Pasir Ris Road in the third quarter of 2020. Since then, there has been much progress and MWH was expected to relocate to our new Home by June 2021.

The new Home will showcase residential facilities including, but not limited to bedrooms, common areas, dining hall, Educational Hub, Indoor Multi-Purpose Hall and an Outdoor Futsal Court.

A RESIDENT'S STORY

Ilhan*, now 18 years old, was admitted into Muhammadiyah Welfare Home (MWH) in 2014 after he was transferred from another children's home due to a breakdown in the placement. Ilhan has been placed in the children home since he was 5 years old and subsequently fostered to 2 families between 2008 and 2012. Unfortunately, due to the foster parents' inability to manage his behaviour, Ilhan was then placed in a Children Home till 2014.

It was reported that Ilhan has had no contact with his birth mother ever since he was fostered. His only next of kin is his maternal aunty. However, she is hardly involved in his well-being due to her own family commitments and caring for Ilhan's younger brother who is intellectually disabled.

Throughout his stay in MWH, Ilhan shared that it has been a roller coaster journey for him with no family member to turn to. During the early stages of his stay with MWH, Ilhan was constantly running away from the Home. However, he has grown to be a matured young man - determined to stay focus and do well in his studies. Ilhan prepared for his PSLE and sat for the examinations in MWH and was pleasantly surprised that he was able to progress to secondary school. Since then, he persevered to do well in his studies and further his education to the tertiary level. Ilhan is currently pursuing Automotive Technology at ITE College West. He feels that his studies is his motivating factor in life and it has helped him remain positive.

In the Home, Ilhan is a well-behaved resident and always adheres to the instructions given. He often volunteers himself to do extra chores and is capable in leading a small group during group sessions. Due to his pleasant personality and positive outlook, Ilhan received the highest number of votes from the staff of MWH, recognising him as the Most Outstanding Resident for year 2020.

AL-FATIH SCHOLARSHIP

In 2020, a total of \$15,600 was disbursed in 2020 to 12 former residents of MWH pursuing post-secondary education.

The Al Fatih Scholarship was introduced in 2012 following an evaluation study conducted by MWH which showed that residents who continued to pursue and completed post-secondary education were less likely to reoffend.

Each scholarship may be utilised to fund their educational expenses such as payment of fees or purchases of materials. Recipients were chosen after successfully undergoing a thorough interview session conducted by a panel of evaluators comprising of members from MWH Management Committee and staff.

A RECIPIENT'S STORY

For over four years, MWH was Danial's own home. His family was going through some uncertainties and was incapable of providing adequate and proper care for him. Danial was then referred to MWH where he was given shelter and received the much-needed care.

Instead of feeling sorry for himself and lamenting his predicament, Danial courageously adapted to his new environment whilst fostering new friendships with the residents. He took active part in and enjoyed many programmes organised for the residents such as soccer tournaments and camping. His positive attitude allowed him to also benefit from the tuition programme in the Home, which helped bolstered his schoolwork.

"I wouldn't be what I am today without the dedication and care I received from MWH. The relationship between my family and me has improved significantly and my life journey is getting better. The one takeaway from MWH that I constantly remind myself of is to always be patient. I am truly thankful."

Danial was discharged from MWH in 2018. He is a recipient of MWH's Al-Fatih Scholarship and this award was given him additional support as he continues to forge a new future for himself.

OUR PROGRAMMES & SERVICES

HIGHLIGHTS:

1. MULTI-SPORTS PROGRAMME

Residents were trained to participate in triathlon – a sport that encompasses three key activities – swimming, running and cycling. 24 residents took part in this programme which unfortunately were temporarily suspended during the Circuit Breaker and Enhanced Circuit Breaker. This programme was organised by SportsCare. It was then conducted online when Phase Two was implemented.

2. I AM THE FUTURE

A 10-session motivational programme titled “I Am The Future”, was conducted by Neurovex Pte Ltd for the residents of MWH. The programme consisted of a series of activities aimed to uplift the residents, build self-confidence and instil positive awareness.

3. YOUTH INTERVENTION PROGRAMME

Ethnic Shadows conducted a Youth Intervention Programme through the art of wayang kulit. Residents were divided into 2 zones and both zones had different sets of volunteers/representatives from Ethnic Shadows who showed undying spirit and energy to train the residents in cultural arts – wayang kulit.

**No event was organised in 2020 due to the restrictions posed by the Covid-19 pandemic.*

OUR FUNDRAISING

Adhering to safe management measures due to the pandemic also meant suspension of physical fundraising events. Donors were also strongly discouraged from coming to the Home, keeping our residents' exposure to the public at its minimal.

Amidst all these, MWH acknowledges the fact that keeping in touch with our donors was still essential. Hence, we launched the quarterly e-newsletter in our bid to keep our existing donors abreast on the Home's developments and updates. Fundraising campaigns were also done virtually through our social media platforms and crowdfunding channels such as giving.sg

About Campaign

ends 09 Apr 2020, 11:59 PM

From April 2020, students in primary and secondary schools, as well as junior colleges and the centralised institutes, will have one day of home-based learning a week amid an increase in the number of imported Covid-19 cases in Singapore.

The move was announced by the Ministry of Education (MOE) on 27 March 2020 as part of the enhanced measures taken by the government to stem the spread of the outbreak.

Muhammadiyah Welfare Home (MWH) does not have enough laptops to share and facilitate the learning journey of our school-going residents as we try to comply with MOE's requirement. As such, we are appealing to generous Singaporeans to help us fund the purchase of 15 more laptops worth around \$15,000 for our residents to enable them to carry out their learning in the safe environment of our Home.

We thank you in advance and sincerely hope you will be able to help our residents continue their learning journey.

We Are Safe & Still Relocating!

Despite the challenges faced as a result of the Covid-19 pandemic, the staff and staff of MWH are safe and healthy.

Measures such as zoning clusters with staff, staff and volunteers as well as donors and residents from entering the Home are implemented to our best to keep contact with minimal as a minimum and safe for all.

Our plan to relocate from Bedok North to 101 Pasir Ris Road is delayed as a result of the ongoing pandemic. With the safety of various measures, an announcement that we will be relocating soon.

The costs of relocating the Home are covered by the Ministry of Social & Family Development (MSF). Funding is approximately \$200,000. To date, we have managed to raise half of the amount and are in the order of raising another \$50,000.

You Can Help Us!

We are appealing to your good generosity in your form or donation or sponsoring to contribute towards our efforts to improve the care and rehabilitation of a group of underprivileged boys and young men (10 to 18 years old) at this new location.

Peranan penting RKM ubah kehidupan kanak-kanak, remaja berisiko

KEBANYAKAN remaja bermasalah sering kali diabaikan dan di pandang sebelah oleh masyarakat setempat.

Namun hal ini bukanlah berarti mereka tidak mampu berubah ke arah yang lebih baik.

Menjadi tanggungjawab masyarakat untuk mendidik dan memberi sokongan penuh demi meningkatkan tahap moral mereka.

Sedar akan kepentingan ini, Rumah Kebajikan Muhammadiyah (RKM) memainkan peranan besar dalam memupuk dan membimbing kanak-kanak serta remaja yang berisiko.

Sebagai perincian, pihak RKM berfungi kuasa mengenai Haziq (bukan nama sebenar) yang merupakan seorang penghuni di RKM dari tahun 2011 hingga 2013.

Bellau didaftarkan masuk ke RKM kerana kes kanak-kanak tidak terkawal.

Sebelum masuk ke RKM, bellau terlibat dengan masalah sosial seperti merokok, pergaduhan, berjaja hingga lewat malam dan penting.

Dia juga sering bertindak agresif terhadap ibunya.

Namun begitu, kehadiran RKM memberikan impak yang besar kepadanya.

Dedikasi dan komitmen yang diberikan oleh kakitangan RKM seperti Cikgu Nur telah membantu proses pendidikan diri Haziq.

Semasa Haziq mengalami "pergerakan" dalam dirinya ini, Cikgu Nur pernah membawanya untuk melihat kesihatan ibunya bekerja sebagai penolong di sebuah medan selera.

Sehik sahaja dia melihat ibunya yang mencari sesuap nasi dalam keadaan bertarung dengan kesulitan demi keluarganya, dia terus menangis.

Hasil mula sedar tentang keadaan peribadi dan tingkah lakunya yang bukan sahaja menyebelahkan ibunya menangis, tetapi juga telah menyusahkan pegawai kas yang menjaganya.

Walaupun bellau merupakan orang asing dalam hidup Haziq, namun pegawai kas Haziq sangat menggarut berat akan dirinya.

Pada waktu itu, dia terus berkehadapan dan berjaya menamatkan peperiksaan peringkat 'N' (sebelum ini, bellau pernah berputus asa untuk belajar).

Cikgu Nur telah berkhidmat selama 17 tahun sebagai pekerja sosial di RKM.

Selapas Haziq dibebaskan dari RKM, dia masih lagi sering bertanya khabar tentang Haziq.

Cikgu Nur juga ingin melihat "anak-anak RKM" menjadi anak yang bertanggungjawab terhadap kehidupan dan keluarganya mereka.

Dia tidak mengharapkan terlalu banyak, tetapi hanya mendoakan perubahan kecil, yang akan memberi impak besar kepada seseorang.

Setelah itu, hubungan Haziq dengan ibunya bertumbuh baik.

Ibunya juga mendapat kemahiran keibubapaan (melalui bengkel keibubapaan RKM) yang membantu beliau berkomunikasi dengan anaknya secara lebih baik.

Haziq, yang dahulunya selalu bertindas tanpa memikirkan keluarganya, kini memilih tanggungjawabnya sebagai seorang anak yang bekerja untuk menjaga keluarganya.

Dia mahu memastikan adiknya tidak berakhir sepertiinya dahulu.

Bellau sangat berterima kasih dan mengonggok jasa yang ditunjukkan oleh kakitangan RKM di atas semua bimbingan, komitmen dan sokongan.

A festive celebration, marking the end of a challenging yet meaningful year, came early for the SportCares youth in the SportCares - Li Foundation MultiSport Programme.

Founder of Li Foundation, Mr Lionel Li was on hand to accompany and advise the young men from Muhammadiyah Welfare Home and fitting for the right sport shoes at Decathlon Singapore. The youth will be well-equipped to give their best at the upcoming SportCares Duathlon, co-organised by SportCares and our friends from Triathlon Singapore.

Tingkat mutu jagaan di Rumah Kebajikan Muhammadiyah

LEBIH SELESA: Rumah Kebajikan Muhammadiyah menarjan pengiraan lebih selesa dan selamat bagi mengasuh dan memelihara kanak-kanak dan remaja lelaki yang dibesarkan, diawasi atau tidak berbumbung, termasuk pesalah jenayah dan mereka yang sukar dikawal ibu bapa. - Foto dari oleh AZMI ATHIR

SETELAH bertempat di Bedok North Street 3 selama sepuluh tahun, kini tiba masanya bagi Rumah Kebajikan Muhammadiyah (RKM) untuk berpindah ke 101 Elias Road pada pertengahan tahun ini.

Ditempatkan di persiaran pantai Panir Ria, lokasi baru menjamin pengasapan lebih selesa dan selamat bagi mengasuh dan memelihara kanak-kanak dan remaja lelaki yang dibesarkan, diawasi atau tidak berbumbung, termasuk pesalah jenayah dan mereka yang sukar dikawal ibu bapa.

Mengiklankan visi "institusi pemuliharaan cemerlang" mereka, RKM ingin meningkatkan mutu pengasapan berdasarkan tiga prinsip.

Pertama adalah untuk memasang kamera litar tertutup (CCTV) yang lebih canggih untuk meningkatkan keselamatan rumah kebajikan ini.

Dengan adanya CCTV yang mempunyai perubangan dua hala dan ciri analitik video di dalam dan persekitaran rumah tersebut, RKM boleh memantau tingkah-laku penghuni mereka dengan lebih baik.

Kedua untuk mewujudkan konsep 'Rumah Bijak' di mana RKM ingin menerapkan penggunaan teknologi dalam hidup seharian penghuni mereka untuk mempercekapi khidmat penjagaan.

Terselaku adalah untuk mengokotkan Model Jagaan Berbeza-beza di mana para penghuni dibahagikan kepada beberapa kelompok berdasarkan keperluan mereka.

Inisiatif ini dijalankan bagi memastikan setiap individu diberi layanan dan jagaan berkaualiti.

RKM juga ingin mendirikan sebuah padang futsal tertutup untuk mengasuh bakat terpendam para penghuni.

Mereka juga bercadang men-

longkarkan hab pembelajaran tiga tingkat berhawa dingin yang dilengkapi dengan perpustakaan, bilik komputer dan bilik darjah.

Bagi menampung visi mereka, dana sebanyak \$500,000 masih diperlukan untuk membeli perkakasan dan perabot.

Untuk membantu, anda boleh mengikut langkah-langkah berikut: Berikan cek kepada MWH. Serikan nama, nombor telefon dan 'BH' di belakang cek tersebut.

Sebaiknya, anda boleh ke pejabat RKM semula video pejabat untuk memberikan warangan anda.

Pemindahan bank ke akaun DBS (017-010046-7) juga diterima. Selepas membuat pemindahan bank, e-mel ccr-mwh@muhammadiyah.org.sg.

Anda juga boleh ke litaran giving.sg/Muhammadiyah-welfare-home/mwh101eliasroad untuk membuat derma dalam talian menggunakan kad kredit atau debit.
